EUROPEAN CLIMATE PACT

EUROPEAN CLIMATE PACT AMBASSADOR

The European Commission, Directorate-General for Climate Action (DG CLIMA), is pleased to certify that

Holger Holland

is a European Climate Pact Ambassador

The term of Ambassadorship runs for 12 months from the date shown and is contingent on the Ambassador adhering to the Values of the European Climate Pact.

The European Climate Pact is an initiative of the European Commission that provides opportunities for people, communities and organisations to participate in climate action across Europe to:

- learn about climate change
- develop and implement solutions
- connect with others and maximise the impact of these solutions

European Climate Pact Ambassadors are people who act in their personal capacity, and not on behalf of the European Commission. Ambassadors are committed to informing, inspiring and supporting climate action in their communities and networks in contribution to the European Climate Pact.
